

C SASIDHAR REDDY

B.Tech Computer Science & Engineering | Software Engineering Intern

Phone: 7993960258

Email: csxsasi@gmail.com

LinkedIn: <https://www.linkedin.com/in/sasidhar-chinthakunta>

GitHub: <https://github.com/Sasidharreddy-03>

Career Objective

Detail-oriented B.Tech Computer Science student with strong fundamentals in Data Structures, Java, and Python. Actively seeking Software Engineering Internship opportunities at product-based and service-based companies to apply problem-solving skills, contribute to real-world projects, and grow as a software engineer.

Education

B.Tech – Computer Science and Engineering

Veltech University | 2024 – 2027

CGPA: 8.27

Technical Skills

Programming Languages: Java, Python

Computer Science Fundamentals: Data Structures & Algorithms, Object-Oriented Programming

Web Development: HTML, CSS, JavaScript, Django

Databases: SQL

Tools & Platforms: Git, GitHub, Postman

Projects

Smart Garbage Collection Using Database Server

- Designed an IoT-based waste monitoring system with real-time database updates.
- Implemented automated garbage overflow alerts to improve efficiency.
- Applied backend development and database concepts.

Secure OTP via Real-Time Face Recognition

- Developed a secure authentication system using face recognition.
- Integrated OTP verification with Python-based image processing.
- Improved security for digital transactions and identity verification.

Practical Experience & Learning

- Solved 300+ Data Structures and Algorithms problems using Java and Python.
- Hands-on experience with backend development and REST APIs.

Certifications

- Python Programming – Udemy
- Data Structures & Algorithms – Infosys Springboard

Achievements

- Active DSA problem solver on LeetCode (sasidhar-SR3).
- Completed multiple academic projects in IoT and security domains.

Soft Skills

- Analytical Thinking
- Debugging & Troubleshooting
- Team Collaboration
- Effective Communication
